

## Code of Conduct for Spectators

Scottish Gymnastics' vision is an uplifting experience for all.

We have a collective responsibility and a part to play in setting a good example and providing a safe and positive environment in which children can enjoy gymnastics.

I agree that I will adhere to the below and understand that if I do not, I may be removed

- Remember the gymnasts are here to have fun
- Set a good example, applaud effort and performance of all participants
- Be a positive role model by promoting fair play, good sportsmanship, and performance over results
- Publicly accept officials' judgements and do not approach officials to discuss scores
- Share/raise any concerns or issues through the appropriate channels
- Let the coach do their job and do not coach from the sidelines
- Only approach coaches during the competition in an emergency
- Always use appropriate language and behaviour
- Remain outside the field of play during competitions
- Supervise any children you are responsible for, whether they are gymnasts or not, outside of the competition area and ensure they do not disrupt the ongoing competition
- Respect the rules of the facilities and Scottish Gymnastics
- Remove your rubbish from the seating area and use the bins provided
- Please switch mobile phones to silent, keep noise to a minimum and do not use flash photography
- Smoking, consuming alcohol or any illegal substance is always prohibited while in or around the venue
- Behave with respect to others including coaches, venue staff, officials, other gymnasts, parents, team managers and other spectators.
